
Preqin Partners with ILPA to Deliver Preqin Pro Platform to ILPA Members

Preqin, the foremost provider of alternative assets insight and intelligence, today announced an agreement to bring its award-winning data, research and analytical tools to members of the Institutional Limited Partners Association (ILPA). Under this arrangement, ILPA members enjoy exclusive discounts on new subscriptions to the Preqin Pro platform, and can also sign up for a free Preqin account. This account will give them access to a selection of free benchmarking tools on Preqin Pro, as well as unlimited access to industry reports on Preqin Insights, Preqin's research platform.

Preqin Pro provides limited partners with access to the industry's most comprehensive private capital and hedge fund data sets and tools. With performance information for almost 32,000 funds, and details of over 22,000 vehicles currently seeking investment, Preqin Pro delivers the most powerful analytics tools available to help investors to actively and efficiently find and evaluate new and existing investment opportunities.

ILPA and Preqin have maintained a long-standing relationship, as both entities work to bring greater transparency and understanding to the alternative assets industry. With this new agreement, Preqin and ILPA are continuing their partnership, and providing the opportunity to investors to understand better the past, present and future of the industry.

"We are excited to announce this collaboration with ILPA," said Ayo Akindede, Global Head of Channel Sales, "Preqin and ILPA share a common goal to bring greater transparency to the private equity industry and providing access to high-quality data and analytical tools is central to meeting that goal. With Preqin data, investors are empowered to make more informed investment decisions and we look forward to having more limited partners experience the benefits of the platform".

"In their role as trusted financial stewards, ILPA members are continually developing strategies and insights based on the best available market data and analysis," said Greg Durst, Managing Director of Corporate Development for ILPA. "We are pleased to be able provide investors favourable access to Preqin's comprehensive research and market intelligence platform so that they continue to make sound investment decisions on behalf of millions of beneficiaries."
