

After 15 years in New York City, ILPA successfully brought our efficient and proven approach to building LP/GP relationships to Europe in January of 2020. With the uncertainty that remains, the ILPA Summit Europe will go virtual in 2021 in late April. Until we can all meet again, the safety and well-being of this community remains our highest priority.

Following on the success of the Virtual Summit in November, you can count on the same high quality, efficient experience you have come to know and rely on. We hope you can join us for this unique, effective relationship building event for the private equity community that will include an engaging two-day agenda consisting of private meetings and networking opportunities.

**General Partner registration will be limited to 30 firms. Register today to secure your spot!
Contact summit@ilpa.org to be considered.**

HOW IS THE ILPA SUMMIT EUROPE EXPERIENCE DIFFERENT FROM OTHER EVENTS?

- The intimate, face-to-face video LP-GP meetings are the main focus of the event with timeslots uniquely designed for those in GMT and CET time zones
- The ILPA uses a sophisticated matching tool to generate meetings based on mutual interest that will generate a personalized meeting itinerary
- All LP attendees are high-quality, accredited institutional investors with a special focus for this event with LPs based in Europe, Middle East and Asia-Pac
- 80% of participating GPs participating in the November Summit made anywhere from 4-8 new relationships while the remaining 20% can attribute 9+ new relationships to this year's Virtual Summit
- Long-time Summit participants attribute multiple commitments and re-ups based on their participation at the Summit
- The virtual environment allows you to share your full meeting schedule across members of your team, no matter where they are located

WHAT IS INCLUDED FOR PARTICIPATING GPs?

SOPHISTICATED RANKING SYSTEM

to make meeting matches based on mutual interest and investment preferences
