

# Make the Most of Your ILPA Membership

Stay up to date on the most relevant engagement opportunities by [keeping your individual member profile up to date](#). Questions? Contact [membership@ilpa.org](mailto:membership@ilpa.org)

## Shorten the learning curve - for you and your team - with **courses and webcasts** delivered by industry experts and tenured practitioners

- Access world-class private markets executive education with the [ILPA Institute](#)
- Attend a complimentary [webcast](#) live or on-demand to hear from LPs on topical issues

“I really value the practitioner view, the anecdotes to support the theories and the diverse viewpoints from other attendees.”

## Connect with your **global LP network**

- Join formal and informal networking (virtually and in person) [throughout the year](#)
- Use [ILPA Connect](#) to [connect with](#) and [hear from](#) LPs from around the world

“The network that we have built through ILPA is invaluable. Being able to tap into every influential investor in our asset class has been amazing.”

## Join **industry-wide conversations** to exchange information and resources and, where possible, establish **standards and best practices**

- Engage with members and industry stakeholders to make meaningful advances on [ESG and DEI](#)
- Inform your perspective with ILPA best practices, including the [ILPA Principles](#), [GP-led Secondaries](#) and [Subscription Lines](#)
- Save time with [ILPA resources](#) (including the [Fee Template](#) and [DDQ](#)) designed to standardize information and improve decision making
- Keep up with ILPA's [global policy priorities](#) and advocacy efforts

“Without ILPA, these conversations would [just be] separate dinner conversations”
